

Long Beach, CA (July, 2010) — Registration opened this month for the **14th Annual Mustangs at the Queen Mary**, taking place on **Sunday, Sept. 19, 2010** in Long Beach Harbor. The show is presented by the **Beach Cities Mustang Club**.

CALIFORINA'S LARGEST MUSTANG SHOW

As one of the nation's most popular Mustang & Ford shows, Mustangs at the Queen Mary is also California's largest. Pre-registration has sold out each of the last 5 years. The show offers over 100 class and award categories, as well as a huge raffle, auctions, SEMA-level manufacturers and dozens of other national and local vendors and sponsors. Celebrities, contests, a 'Kid's Korner' and more make this one of the Nation's premier car shows. 100s of other local So-Cal attractions make this show a popular vacation destination, as well. Held in the shadow of the RMS Queen Mary, participants can visit - or even stay aboard - the historic attraction. Access to the ship is included with each entry.

SALEEN'S SHOW-WITHIN-A-SHOW

This year's show marks the return of **SaleenFest 2010**, Saleen Performance Vehicle's Nationally renowned show of 14 years. In 2008, Saleen chose BCMC's show as the new home for their long running and popular gathering of Saleen vehicles. It is the largest gathering of Saleen vehicles in the country, and continues to be sponsored by Michigan-Based Saleen Performance Vehicles. SPV Owner and CEO Mike Shields is scheduled to appear again this year.

This show is the perfect opportunity for West Coast based media to meet with the Saleen team. Press cars and team members will all be available at the show, and an exclusive pre-show press event is in the works.

The Queen Mary Events Park is a perfect location for photos shoots or filming, and the park is available to the media for the full weekend and post show (great sunset lighting!). City permits are not necessary for video/photos the weekend of the show. Grass or pavement with dramatic ocean and/or cityscapes, as well as 400 of the West Coast's nicest Fords & their owners are available to the media.

PRE-SHOW PARTY

While the big show is on Sunday, late Saturday afternoon we'll hold the **6th Annual Meet, Greet, Eat & Park Party**, sponsored by Saleen. At this event, volunteers, early arriving show participants and media will enjoy pre-show meal together. Show participants also have the opportunity to park their vehicles at this time, avoiding the Sunday early AM scramble to get to their assigned parking spot.

THE BCMC FAMILY

BCMC and their annual show are both in their 14th year. As one of the largest clubs in the Nation, the Beach Cities Mustang Club has over 600 members. BCMC offers shows, cruises, toy drive/deliveries, monthly meetings, cruise nights and more.
